Your membership in the Veterans of Foreign Wars is important to both us and other veterans in that it allows us to unite and fight for the benefits we deserve. Additionally, it provides many advantages ([www.vfw.org](http://www.vfw.org)) as well as eligibility to the VFW National Home ([www.vfwnationalhome.org](http://www.vfwnationalhome.org)).

A majority of VFW members are life-paid members since the cost savings can be substantial. For example, our dues is currently \$45.00 per year and when comparing the lifetime payment it does not take that many years to realize the overall savings. Once a Life member, dues are never again assessed even when going to another Post.

When enrolling for Life, a member pays either a one-time payment or via the installment plan. The installment payment initial fee is \$45.00 with 11 additional payments as specified below. Installment payments are via credit card or checking account.

<b>Age</b>	<b>One-Time Payment</b>	<b>Installment Payment</b>
18-30	\$425.00	\$38.64
31-40	\$410.00	\$37.27
41-50	\$375.00	\$34.09
51-60	\$335.00	\$30.45
61-70	\$290.00	\$26.36
71-80	\$225.00	\$20.45
81 and over	\$170.00	\$15.45

I am available at 858.366.8630 should you wish to discuss or enroll. Naturally, you may also enroll at the Post for annual or Life membership.
